Multi-day Travel Registration Policies

The Active Life: Recreation for Adults 55+

- *Sign-up for multi-day travel* begins on scheduled days. Exact dates and times will be posted in the Center newsletter or announced a week before sign-up starts.
- *The first week of multi-day travel registration* is reserved for participants of the Active Life. After this period has ended, the trip is open to any independent adult (55+).
- Special travel needs (*special diets, medical/health issues, smoking rooms, physical limitations, etc.*) must be listed on the registration sheet and discussed with the Director prior to registration.
- *Registration for multi-day travel is based on room occupancy.* Therefore, you may not register if you don't have a roommate registering and you are unwilling to commit to a single room. If you are willing to pay for a single room, we can always change your status to a double room and we will refund you the extra cost if a suitable roommate becomes available and there is vacant bus space.
- *Triple and Quad Room registration (if available) requires that individuals share a bed.* This bed may be a full or queen size bed. Please discuss any concern you have with this arrangement prior to registration.
- Seating assignments on the Motor Coach are made on a first come, first served basis and roommates are usually seated together on the bus. No reservation is made or seat assignments given until the deposit and registration form is received.
- On the *first day, from 8am to 11am, sign-up* is restricted to in-person reservations. However, only one roommate is required to be present to submit the deposits and registration forms. After 11:00am (of the first day), forms along with the deposits can be submitted for other individuals not present.
- It is your responsibility to understand the refund policy before registering.
- *Trip Insurance* is offered on our international trips by the travel agency at the time of registration. On our other multi-day trips, if you want travel insurance, it is your responsibility to find and purchase it from an insurance provider. *Please carefully read their requirements for obtaining a refund before purchasing.*

Refund Policy for Southern Style Travel: Travel insurance is strongly encouraged. If you do not obtain this insurance and must cancel your trip, a refund will only be given if the cancelation is made early enough for an equal replacement to be found. If a replacement is not found, a refund will not be made, nor any credit given for future travel. ***The earlier the notification of cancelation, the better the chance of a full refund.***
